3. Principles to Safeguard Children from Harm:

Youth Work Ireland Midlands is committed to the principles laid out in Children First: National Guidance for the Protection and Welfare of Children 2017. These are:

- The safety and welfare of children is everyone's responsibility.
- The best interests of the child should be paramount.
- The overall aim in all dealings with children and their families is to intervene proportionately to support families to keep children safe from harm.
- Interventions by the State should build on existing strengths and protective factors in the family.
- Early intervention is key to getting better outcomes. Where it is necessary for the State to intervene to keep children safe, the minimum intervention necessary should be used.
- Children should only be separated from parents/carers when alternative means of protecting them have been exhausted.
- Children have a right to be heard, listened to and taken seriously. Taking account of their age and understanding, they should be consulted and involved in all matters and decisions that may affect their lives.
- Parents/carers have a right to respect, and should be consulted and involved in matters that concern their family.
- A proper balance must be struck between protecting children and respecting the rights and needs of parents/carers and families.
- Child protection is a multiagency, multidisciplinary activity. Agencies and professionals must work together in the interests of the children.

4. Risk assessment of potential harm to children whilst availing of our services:

Youth Work Ireland Midlands has included the risk of harm to a child as a new category in the organisations Risk Management Policy & Procedures. A comprehensive risk assessment has been conducted to identify potential areas of harm and to implement measures to reduce the risk as per the Risk Management Process.

5. Procedures:

Our Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015, Children First: National Guidance for the Protection and Welfare of Children and Tusla's Child Safeguarding: A Guide for Policy, Procedure and Practice. In addition to the procedures listed in our risk assessment, the following procedures support our intention to safeguard children while they are availing of our services.
